UNT Dallas College of Law is a new public law school. We offer you a uniquely innovative legal education, in a dynamic Dallas location, at a tuition that delivers great value.

### WHY CHOOSE UNT DALLAS COLLEGE OF LAW?

**INNOVATION**
We combine instructional best practices with a new emphasis on learning by doing through experiential education. Plus, students receive ongoing assessments, not just one exam at the end of the semester.

**PREPARATION**
Led by accomplished, full-time faculty, our program is designed to develop practice-related competencies and real-world skills.

**LOCATION**
Our location in downtown Dallas puts our students in the center of one of the most dynamic regions of the country, with easy access to professional and cultural resources.

**VALUE**
We offer a top-quality professional education at a competitive cost, so our graduates can follow their individual career paths, unencumbered by unreasonable debt.

**DIVERSITY**
We believe lawyers should be as diverse as the communities they serve. Our current student profile reflects our success in widening access to legal education.

**AMERICAN BAR ASSOCIATION ACCREDITATION**
The UNT Dallas College of Law will be seeking American Bar Association (ABA) accreditation, which begins when a law school applies for provisional accreditation during its second year of operation. Provisional accreditation may be granted during a school’s third year of operation. A student who graduates from a provisionally approved law school is entitled to the same recognition given to students and graduates of fully approved law schools. The College of Law—including the Dean and its administration—is fully informed as to the ABA’s Standards and Rules of Procedure for the approval of Law Schools. We are determined to devote all necessary resources and to take all necessary steps to provide a program of legal education that will qualify for approval by the American Bar Association. The College of Law does not make any representation to any applicant that it will be approved by the ABA before the graduation of any matriculating student.

**SOUTHERN ASSOCIATION OF COLLEGES AND SCHOOLS (SACS) COMMISSION ON COLLEGES**
The University of North Texas at Dallas is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award baccalaureate, master’s, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404-679-4500 for questions about the accreditation of the University of North Texas at Dallas.
